

State Tournament:

Please remember that the committee scheduling the tournament is doing the best they can. The schedule should be released late on Sunday, August 21 to the webmaster and the officers.

Those who cannot see the schedule online may call an officer to get their pitching time. Remember to bring dollars for the scorekeepers, and we ask that you help on the other shift for those who scored for you.

An officer will be checking shirts to make sure that the name is on the back and fits the specifications.

Kalamazoo has informed us that food will be available on Friday night, biscuits and gravy for breakfast on Saturday and Sunday, and food sales during the day on Saturday and Sunday.

The banquet on Saturday night will be catered and reasonably priced.

T-shirt sales for state tournament shirts will also be done for the benefit of the state tournament funding.

Construction is happening at the Portage Road exit (Exit 78). It would be best to take the Sprinkle Road exit (Exit 80), go south to Kilgore Road, and drive west to the VFW.
